Fibar Group S.A. REACH Statement

We hereby declare our support and compliance with the assumptions and intentions of REACH (Registration, Evaluation, Authorisation and restriction of Chemicals, 1907/2006/EC) to improve the chemicals regulatory system in the European Union including public health and safety and environmental protection. Fibar Group S.A. follows strict procedures to ensure its products comply with the requirements of REACH. Fibar Group S.A. has implemented ISO 14001.

Fibar Group S.A. is not the manufacturer nor the importer of the chemical substances. However, Fibar Group S.A. monitors the composition of purchased components used for production of FIBARO devices in terms of presence of substances mentioned in the REACH candidate list and of which the concentration has exceeded the limit of 0,1 weight by weight (w/w).

The candidate list can be found at:
<http://echa.europa.eu/pl/candidate-list-table>

We trust that above information satisfies your inquiry. Please direct further questions or comments on REACH requirements to reach@fibargroup.com.

Sincerely,

Bartłomiej Arcichowski
Chief Technology Officer
